Today's closing passage will be read by \_\_\_\_\_.

If you have time to chat, please stay for informal conversation in what we call the Parking Lot after the closing prayer. Please be aware of newcomers, be considerate, avoid gossip and avoid discussing people who are not present. Anonymity keeps our meetings a safe place. What you hear here and who you see here, let it stay here.

Now, after a moment of silence, let's close with the WE version of the Serenity Prayer. *[prayer]*
